

Elwarm Induction

Industrial Electroheating Applications

PD 15

APPLICATIONS

Small parts Brazing

Copper / Brass pipe fittings Brazing

Paint & Adhesive removal

Small Auto parts Hardening

Bar - end Heating

15 kW - 100 kHz

For Use in

Auto parts Industries

Electrical & Electronic Industries

Small Hand tool companies

Fabrication Industries

Forging

Features

Fully Isolated Output

Wide load matching

High Q Loads

Integrated Cooling Water System

Think Heating
Elwarm
