

Elwarm Induction

Industrial Electroheating Applications

PD 25

25 kW - 50 kHz

APPLICATIONS

- Billet Heating
- Bar - end Heating
- Iron / Steel Melting
- Copper / Aluminium Melting
- Precious Metal Melting
- Hardening & Tempering

Melting

IDEAL FOR

Foundries

Forging Industries

Mini Steel Plants

Features

Safe & Isolated Output

Integrated Heat / Melting Station

Portable including Cooling Water System

Think Heating
Elwarm
