

Elwarm Induction

Industrial Electroheating Applications

**PC 3000**

**For Use in**

Repair / Maintenance Work Shops  
Auto - parts Mfg. Industries  
Plastic & Rubber Industries  
Fabrication & Painting Industries

**Varnish Drying**

**Gold Melting**

**APPLICATIONS**

- Shrink Fitting/Removal of Bearing
- Loosening of rusted Fasteners
- Curing / Releasing Adhesives
- Varnish Drying
- Precious Metal Melting
- Bending / Straightening Bars / Tubes
- Fluid Heating

**3 kW - 100 kHz**

**Think** Heating  
Elwarm

**Features**

Safe & Isolated Output  
Heat Station

Fully Aired Cooled  
Suitable for wide range of Coils
